

Jung Hoon Shin

Industrial Designer

I am an aspiring Industrial designer from South Korea with a background in fine arts. I am fluent in both Korean and English.

I came to the United States to enroll in the Industrial Design Bachelor's Degree program at California College of the Arts where I learned the necessary skills to bring my ideas to life.

Experience

Cueren

Photo Editor | May 2017 - Aug 2017

Cueren is a footwear company in Korea, where I was tasked with more photo editing such as color corrections, product photography, and photo composition.

Pleasure

Industrial Design Intern | May 2019 - Aug 2019

Pleasure is a small Korean interior design company, where they were looking to release a line of products such as light switch covers, power outlet covers, and other smaller interior products where customers can customize their living spaces. I was tasked with designing these products, creating CAD models, and rendering

Rep. of Korea Military

Platoon Leader | Aug 2021 - May 2023

During training camp, I was the platoon leader of around fifteen to twenty trainees where I was responsible of checking on the health of the trainees, assist in different training exercises, and reporting daily to my commanding officer.

Yongsan District Office

I was stationed at a government district office during the Coronavirus pandemic. Where my responsibilities included translation work, assist in civilian training by semester, and answer reports of people leaving their residents and going out to the scene.

4x Studio

Tattoo Artist | Nov 2021 - May 2023

I went under a tattoo apprenticeship in South Korea. As a tattoo artist, I learned how to create a clientele by targeting my audience through social media management, creating my own video advertisements, and any translation work for the studio.
